FOREWORD

*Listen my children and ye shall hear,
Of a tale of woe and a dirge that's drear,
How we've tried and slaved and worked (how true!),
To bring a Cosmos complete to you.
It isn't at all as we'd have it be,
But we'd fain implore your leniency.
For we our best but strove to do,
So we shan't begin an alibi new.
There's been no Cosmos for many a year,
And we have forgotten their plans, we fear.
So we must forge new ways again,
And set an example for those who deign
To publish annuals as years go by,
In the name of glorious Sam Houston High.
We'd have it bigger and better now,
But this is the best that we know how.
So please be kind and forgive mistakes,
Live and let live for old times' sake.
And we hope that this holds some memory dear,
That you each can treasure year by year.*

WOODS

Coach Edward D. Duggan, former Notre Dame star, has as likable a personality as any man that ever coached football. Duggan not only teaches his boys good football, but he teaches them to be good sportsmen as well. It may be said that he is respected and loved by every Sam Houston athlete that he has ever coached. Although having but one letterman back in 1933, Coach Duggan developed a splendid team out of very green material.

Assistant Coach Hudgings, former athlete from Baylor University, is an able assistant to Coach Duggan. Although Hudgings is not paid a salary for coaching, he coaches because he loves sports. "Saco" Hudgings is also noted for teaching the football players to be good, clean sportsmen, as well as hard fighting football players.

Co-Captain Woods was the only letterman to come back for the 1933 season. Duggan made a convertible end and fullback out of T. J., and he was outstanding at both positions. T. J. was a great help to the Sam Houston team because of his experience and ability. He called the plays from either fullback or end position.

Co-Captain Hughes was one of the reasons why Sam Houston did as well as it did in football. Leroy was rated the best center in the city although it was his first year of High School football. Leroy's defensive playing was outstanding in every game of the year. He is called "dimples" because of his backwardness, but when on a football field, the opposing team found that he was anything but backward.

FOOTBALL SUMMARY

On September 1, sixty football players reported at West End Field in answer to Coach Duggan's call. It was the greenest material that Sam Houston ever had, for there was only one letterman back from the 1932 season. However, Duggan went to work and developed a splendid team out of this green material.

The first week was spent in taking exercise and in reviewing the plays. Then the first and second teams scrimmaged every day, Duggan picking out the weak spots and patching them up.

On September 22, the Tigers left for San Antonio to take on Brackenridge High. Being the first game, the Tigers were a little ragged, and as a result Brackenridge won 19-6. This did not hurt the Tigers but made them more determined to win the next game.

The following week the Tigers pounced on the St. Thomas Toms and beat them to the tune of 12-0. Sam Houston decided that victory tasted better than defeat, so they worked hard preparing for the Corpus Christi game, in which they were rated as underdogs.

The Tiger machine worked smoothly against Corpus Christi High, and as a result the Tigers came out of the game on top. The score was 13-6. The green material was beginning to be seasoned.

On October 14, the Tigers took to the road again, this time to meet Corpus Christi Academy. The game was played in a sea of mud, and although Sam Houston was beaten 7-6, the Tigers really outplayed the Academy.

The following week the Tigers again took the road, this time accompanied by the Black Battalion and most of the student body of Sam Houston. This time the Tigers met the lighter and faster Royal Purple of Beaumont. During the first half of the game, the Tigers were outplayed by the Royal Purple, but they came back in the second half and kept Beaumont on the defense. The final score was 12-6 in favor of Beaumont.

October 27, Sam Houston went to Elin Field to play Goose Creek. The Tigers swamped Goose Creek 21-0.

The Tigers played their first interscholastic game the following week when they met the Jefferson Davis Panthers. The Tigers took to the air to defeat the Panthers 12-6.

After two consecutive victories, the Tigers fell prey to the San Jacinto Bears. The Tigers fought a hard battle, but at the close of the game San Jacinto had scored 12 points while Sam Houston had been shut out for the first time during the season.

Smarting from the blow that San Jacinto dealt, Sam Houston recuperated and smothered the Milby Buffaloes the following week to the tune of 19-0.

Then came the immortal "Heights-Central" game. Sam Houston fought against the Bulldogs as they had never fought, but Reagan beat the Tigers 12-0. The Tigers were in Bulldog territory many times during the game, but they did not seem to be able to push the ball across the goal.

Sam Houston ended the season by winning exactly half of its games, although the Tigers had the greenest team of its history.

BASKETBALL SUMMARY

The 1933-34 basketball season began shortly after football season was ended. About fifty boys reported to Coach Duggan at the Y.M.C.A. Court. After two weeks of practice, Coach Duggan eliminated all of the boys except fifteen.

Just before the Christmas holidays, the entire squad went to Pasadena where they handed the Pasadena quintet a sound thrashing.

During the Christmas holidays Coach Duggan went to Indiana, and the team was put into the able hand of Assistant Coach Hudgings. During this period, the team played several practice games. The Tiger quintet beat Pasadena again and trounced the Beaumont Royal Purple in Houston and in Beaumont.

Duggan returned as the holidays drew to a close, and he drilled the Tigers for the first interscholastic game.

The San Jacinto Bears fell before the Tiger attack to the tune of 49-29. The Tigers showed lots of class.

Sam Houston dropped the next two games to Davis and Reagan respectively. Both of these games were close, Davis winning by one point and Reagan winning by three points.

The Tiger quintet redeemed itself the following week by beating Milby 27-26. This game ended the first half of the season.

As the second half of the season got under way, Sam Houston was defeated by San Jacinto. The boys did not play heads-up basketball, and as a result the Bears won 25-16.

The following week Davis again beat Sam Houston; this time it was by three points. The Tigers gave the Panthers a real battle until the final whistle blew.

Sam Houston won the last two games from Reagan and Milby respectively. The Bulldogs gave the Tigers a close game, the final score being 27-26. Milby did not do as well, the Tigers winning by a score of 40-25.

The basketball team ended the season by winning half of the games and finishing third in the city race.

COACH DUGGAN

Coach Duggan is also a splendid basketball coach. He has developed some fine basketball material.

ASSISTANT COACH HUDGINGS

Assistant Coach Hudgings coaches the "B" team and usually spends his time developing next year's men.

CAPTAIN MAX "MIDGET" HYMAN

Forward—'31, '32, '33

Letterman—'31, '32, '33

All-City Forward—'32, '33

"Maxie" has been individual high point man for the last two years.

TONY "BULL" ADAMS

Guard—'32, '33

Letterman—'33

Tony was ineligible at midseason, but he played enough to letter in the first four games.

HENRY "STUDIOUS" BREAKER

Guard-Forward—'32, '33

Letterman—'33

Henry was good at both guard and forward.

BILLY "WHITE HORSE" BYRNS

Center-Guard—'33

Letterman—'33

Billy's individual score isn't to be sneered at.

CHESTER "POLE" CHONOWSKI

Center—'33

Letterman—'33

What Chester lacks in skill, he makes up
in rough and tough tumbles.

BILLY "STILL TOUGHY" FOSTER

Guard—'31, '32, '33

Letterman—'33

Billy and Chester ran a race to see who
could be the toughest man on the court.

CHARLIE "CURLY" GIAMALVA

Guard—'33

Letterman—'33

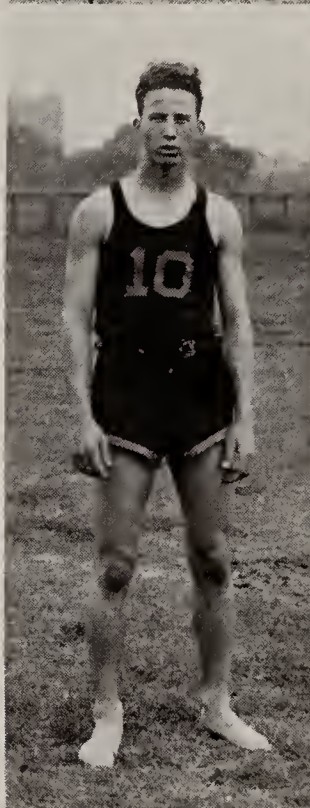

When Charlie guarded a man, he usually
didn't let the man get a point.

CHARLIE "CHASE" MCCLENDON

Forward—'32, '33

Letterman—'33

Charlie is short but, that doesn't stop him
from roping the basket.

T. J. "STAR" WOODS

Guard—'32, '33

Letterman—'33

T. J. is a steady, dependable guard and a
great help to the team.

J. L. "CHICKEN" WAIT

J. L. is a splendid manager. In fact, he is
more interested in the game of basketball
than some players.

BAUGHMAN

VAN TUYL

HYMAN

Coach Van Tuyl succeeded in arousing the spirits of Sam Houston's track ability this year, and as a result he has given Sam Houston a representative track team. He has developed some of the inexperienced boys into track stars. Van Tuyl intends to enter his team in seven track meets.

Max Hyman has entered six meets this year and has won first place in every one of them. At the City Meet Hyman shattered the old record of 205.8 for the 880 yard dash and established a new mark of 202.4. "Maxie" is an all-around athlete, standing out in basketball as well as track.

Billy Baughman, although not winning every race, has placed in every meet and has qualified for the State Meet. Billy's specialty is the 100 yard dash, where competition is very great. Baughman and Hyman were the only two men to qualify for a letter before the Cosmos went to press. We regret that the complete data of lettermen and meets cannot be published.

Ye Olde English Club, which boasts the membership of some of our well known Campus Celebrities, has been in existence since 1931. The club meets monthly at the fourth period under the direction of Miss Drew Staggs, instructor.

During three years the club has sponsored three literary volumes, namely, "Houston in a Nut Shell," "Footprints In The Sands of Time," a biographical account of graduates who have "made good," and a collection of biographies of each class member, all of which have received commendation from the local newspapers. The club also directed and "hooked up" the first and only radio broadcast ever presented at Sam Houston.

Among our celebrities are Herbert Holm, Class president, Mary Beth Peterson, Class vice-president and most beautiful Senior girl, Myrtle Lee Robbins, most representative Senior girl and Editor-in-chief of the Cosmos, Mace Tungate, assistant editor of the Cosmos, Charles Crosson, school debating representative, Heinz Ritzen, who won 2nd place in extemporaneous speaking in the Interscholastic Meet, Betty Kendall, club editor of the Cosmos, Evelyn Dailey and Fred Jones, winners in Interscholastic Spelling Contest.

SEMPER IDEM SOCIETY

The Semper Idem Society was organized in the fall of 1933 to promote interest in rules of etiquette for senior girls, to aid in developing good scholastic standings for members, and to promote good fellowship and friendship among members of the club as well as the entire school.

Miss Ruth Daugherty was selected to head the organization in 1933, which was composed of ten members including Elizabeth Phifer, Lida Coffman, Laura Jarrard, Elaine Stolz, Hazel Hockmuth, Alice Kelly, Jessie Roberts, Jeanette McClanahan, Carolyn Lockett, and Claribell Lutman. Eight members were added to the list in 1934, and each year this number of pledges will be admitted into the society.

The business meetings of the club are held semi-monthly. Membership of the Semper Idem is open to girls only, and therefore subjects interesting to girls are discussed.

THALIA DRAMATICS CLUB

The Thalia Dramatics Club, under the direction of Mrs. Verna S. Hogan, is an active organization that presents several plays every year, one of which is entered in the interscholastic meet, and one of which is given Senior Morning.

The club has placed first or second each year that it has competed in the interscholastic tournament. The play presented this year was "The Imposter" with the following cast: Vivian Ruffner, Billy Baldwin, Vivian Kissen, Buford Bramlett, and Bleatha Fedric. The play placed second.

Since the contest, the play has been given for the City Recreational Department and for the "Twenty-six Literary Society."

Every member of the club participates at some time during the year in a one-act play. The first part of this course consists of numerous lectures, which prepare the pupils for acting.

The officers of the club are as follows:

R.O.T.C.

During its five years of existence, The Sam Houston R.O.T.C. has made a commendable record. Since its organization in 1929, it has participated in the city-wide competitive drill in a creditable manner. In 1929 it placed third; in 1930, first; in 1931, third; in 1932, second; in 1933, first. In competitive rifle marksmanship its teams have ranked second, fourth, third, and first consecutively since 1931.

During the 1933 football season the corps attended the Beaumont football game and the remaining Houston games as a pep squad. On February 9, 1934, the corps sponsored a dance at the End-O-Main, the proceeds of which were used to furnish sabers and colors for the unit. An R.O.T.C. band is being organized under the directorship of Mr. Michael Spampinato.
